

Would you please provide a brief snapshot of the services that are available to a student after a sexual assault on campus? For example, does a staff person accompany the student to the emergency room or while making a police report?

Here at VU our counseling center staff are available for support of the victim at anytime in the process. If desired, our staff can accompany the student to the ER for services there.

Hope's Voice is a program under the umbrella of a community based organization, Children and Family Services. It is a local volunteer based victim assistance program. They provide assistance to victims of domestic violence and sexual assault.

They provide crisis counseling, safety planning, advocacy, and information. They can help with information and referrals for medical and mental health services. They can accompany a person to the emergency room, help them in filing a police report and also assist in filing protective orders if needed.

Hope's Voice staff and volunteers will provide confidential services for victims at the level needed by each individual. Services can range from a supportive phone call, to one-on-one counseling, to sitting with a victim during a court hearing.

There is a Victim's Assistance Representative in the Knox County Prosecutor's office.

Good Samaritan hospital has 3 Sexual Assault Nurse Examiners who are employed in the Emergency Room to provide needed health services to victims of sexual assault.

Is there a 24-hour crisis hotline available in case of sexual assault? What is the telephone number?

Hope's Voice, a local program provides a 24 hour hotline (812)899-4673 for victims of sexual assault or domestic violence.
