

## FINAL EXAM SCHEDULE FOR SPRING 2020

Tuesday, May 5, 2020 – Friday, May 8, 2020

Below is the Final Examination Schedule for Spring Semester 2020.

**Part I** consists of an alpha-numeric list of the multiple-sectioned classes for which a specific examination time has been assigned for **all sections** of that particular course offering. For example, all students enrolled in **MATH 102 College Algebra** will take the final exam for that course on **Thursday, May 7, 2020 at 6:00 p.m.**

**Part II** consists of a list of the typical MWF and TR class meeting times. Check for the first meeting time of the primary activity (probably lecture) of your class. For example, if you are enrolled in a **class that meets from 9-9:50AM MWF or 9-10:50AM MTWR**, your final examination for that class will be **Friday, May 8, 2020 at 8 a.m.**

Students having conflicts in examinations or having **more than three** examinations in one day should contact their instructors **first** and then the college office of the course(s) involved. Students should report any problems no later than **Monday, April 6, 2020**.
