

Gainful Employment Disclosures – 2019

Program Name: Aviation Maintenance Technology Certificate

This program is designed to be completed in two years.

This program will cost \$18,560 if completed within normal time. There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed.

Tuition & regularly assessed fees for Indiana & Illinois students: \$9776

Books & supplies estimate: \$1298

Course & program fees: \$5620

Tools/specialty equipment: \$1866

Total Out of state: \$32,525

Because fewer than 10 students completed this program in 2017-2018, no median loan debt has been calculated.

As an FAA-approved program, the certificate prepares students to meet licensure requirements in all states.
