## Driving Action Thru Analytics (DATA) Strategic Plan Phase I—August 15, 2013-May 16, 2014: Initial Planning and Establishment of Institutional Goals and Student Risk Factors

Objective	Start	End	Responsible	Requirements	Expected	Status
	Date	Date	Persons		Outcome	
I-1. Establish Data	Sept	Sept	MIC, Dir. of IR,	Time	Committee and	Completed
Committee	15,	15,	Dir. of IE		mission	
	2013	2013			approved and	
					operating	
I-2. Define and	Jan 6,	Feb 3,	President,	Time	Metrics and	
announce state	2014	2014	Provost, and		goals are	
performance metrics			VP Finance		presented to VU	
and institutional					stakeholders	
goals.						
I-3. Hire additional	Jan 13,	Feb 3,	MIC	Budget approval	Staff member	On Hold –
MIC staff	2014	2014		for 1-2 year	hired and ready	awaiting
				temporary	to work	approval
				position		
I-4. Establish	Dec. 1,	Oct 25,	Budget Office,	Time	Baseline data	Completed
baseline data for	2013	2013	MIC, Director		available	
state performance			of IR			
metrics.						
I-5. Create access to	Jan 13,	Feb 28,	MIC	Reallocation or	Data is	In
state performance	2014	2014		allocation of	accessible on-	Progress
metrics data.				resources as	line for upper	
				needs determine	management,	
					displaying state	
					performance	
	_				metrics.	
I-6 Training on	Feb 24,	Mar 7,	Budget Office,	Time	Initial training is	
accessing state	2014	2014	MIC		complete for	
performance metrics					upper	
data.					management	
I-7. Identify KPI (Key	Mar 10,	Mar	President,			
Performance	2014	21,	Provost, and			
Indicators) for		2014	VP Finance			
institutional goals.				5 11 .:	5	
I-8. Create access to	Mar 24,	Apr 7,	MIC	Reallocation or	Data is	
KPI's (Key	2014	2014		allocation of	accessible on-	
Performance				resources as	line for	
Indicators) for				needs determine	operational	
institutional goals.					management,	
					displaying key	
					performance	
10 Campleta a studio	lan C	Fob 20	Director of ID	Time	indicators.	
I-9. Complete a study	Jan 6,	Feb 28,	Director of IR,	Time	Report	
of current	2014	2014	Dir. of IE, Dean		identifying key	
institutional data to			of Students,		risk factors	
identify 5-8 essential			Res. Hall			
student retention risk			Director,			
factors			Jasper and			
			Faculty reps			

I-10. Identification of data access to support student retention efforts.  I-11. Identification of users needing access to student retention data.	Mar 24, 2014 Apr 10, 2014	Apr 7, 2014 Apr 14, 2014	Director of IE, Director of IR, MIC  Director of IE, Director of IR, MIC	Time	Data and access defined.  Users defined.
I-12. Create data access to student retention data, such as risk factors.  I-13. Training on accessing student retention data.	Apr 17, 2014 May 12, 2014	Apr 28, 2014 May 16, 2014	MIC, Director of IE  Director of IE, Director of IR, MIC	Reallocation or allocation of resources as needs determine  Time	Student profile data is accessible on- line so actions can be taken proactively. Initial training is complete.
I-14. Compilation of all existing reports, sorted by business area I-14 Inventory and evaluate existing data sources for potential warehouse use	Jan 28, 2014 Feb 24, 2014	May 16, 2014 May 16, 2014	Data Committee  Data Committee	Time	Inventory completed and accessible by users Inventory completed; essential data identified

## Driving Action Thru Analytics (DATA) Strategic Plan Phase II—May 2014-December 15, 2014: Establishing Program KPI's and Improving Student Profile Access and Use

Objective	Start	End	Responsible	Requirements	Expected	Status
	Date	Date	Persons		Outcome	
II-1. Communicate	May 15,		President,	Time	Presentations,	
Phase I	2014		Provost, and		emails, press	
Success/Accomplish			other key		releases of	
ments			project leaders		details	
II-2. Plan for	May -		Data	Time, cost of	Professional	
continuing data	April		Committee	travel for trainers	Development	
access training needs	2014		and	and visitors	Plan for key	
and present it			Professional		dates complete	
			Development		and MIC	
			Committee		delivering both	
					planned and as-	
					needed	
II-3. Develop an on-	June 1,		President,	Time	Plan for regular	
going	2014		Provost, and		reporting—	
communication plan			other key		dates, sources,	
for Action Project			project leaders		responsible	
progress,					persons	

institutional KPI's,				complete
and evolving				
expectations				
II-4. Identify or	June 15,	President,	Time and budget	Survey selected
create 5 <sup>th</sup> week	2014	Provost, Dir. of	approval, as	for
survey of first-time		IE	needed for	administration,
students (Map-			implementation	Fall 2014
Works, Noel-Levitz,				
other?)				
II-5. Develop a	August	Data	Time	Budget
budget for expanded	1, 2014	Committee		submitted for
data warehouse	1, 2011	recommendati		consideration
environment		on and MIC		Consideration
		review		
II-6. Review list of	Sept 1,	President,	Time	Decisions about
data users for	2014	Provost, MIC		additional users
expansion of users		personnel, Dir.		complete
		of IR, Dir. of IE		.
II-7. Survey data	Sept 1,	Data	Time	Report of
users to determine	2014,	Committee		success of tools,
value of tools and	and			issues complete
expanded data needs	Mar 15,			·
	2014			
II-8. Provide training	Sept 10,	Provost, Dir. of	Time	Training
for the development	2014	IE		presented
of program KPI's to				
support University				
metrics				
II-9. Implement a	Sept 15,	Provost, Dir. of	Time	Plan and training
plan to administer	2014	IE, Dir. of IR		complete
5 <sup>th</sup> week student		,		
survey				
II-10. Establish	Oct 1,	Data	Time	Glossary is on-
institutional glossary	2014	Committee		line
of key data terms				
II-11. Identify data	Oct 1,	Data	Time	Report of data
standardization	2014,	Committee		standardization
issues, needs, tools	and Apr	and MIC		issues, needs,
for integration of	15,			tools
data in warehouse	2015			
environment				
II-12. Enhance	Oct 1,	MIC	Time	Data tools will
dashboards, data	2014,			be enhanced to
blocks, cubes as	and Apr			meet needs
needed for	15,			
retention, KPI's,	2015			
assessment				
II-13. Review	Dec 1,	Dir. of IR	Time	Report prepared
retention risk factors	2014			
for 2013-14 to				
confirm validity				
II-14. Academic	Jan 20,	College Deans	Time	All academic
	· · · · ·		l	1

program's identify	2015		programs have	
KPI's supporting			approved KPI	
institutional KPI's			plans	
and program review;				
submit plans to				
dean's and provost's				
office				

## Driving Action Thru Analytics (DATA) Strategic Plan

Phase III—January 2015-December 15, 2015: Closing the Loop

Objective	Start	End	Responsible	Requirements	Expected	Status
	Date	Date	Persons		Outcome	
III-1. Communicate	May 15,		President,	Time	Presentations,	
Phase II	2015		Provost, and		emails, press	
Successes/Accomplis			other key		releases of	
hments			project leaders		details	
III-2. Academic KPI	May 15,		Deans, Provost	Time	Approved plans	
plans reviewed and	2015				on file	
approved						
III-3. Assess project	Sept 20,		Dir. of IR, Dir.	Time	Assessment	
successes: access and	2015		of IE, Data		report complete	
use of student			Committee			
profile data, impact						
on retention and						
institutional KPI's						
III-4. Non-academic	Oct 30,		Area	Time	All non-academic	
programs establish	2015		supervisors		programs have	
KPI's that support			and VP's		approved KPI	
institutional KPI's					plans	
and program review;						
submit plans to						
appropriate						
supervisor's office						
III-5. Complete study	Oct 30,		Dir. of IE, Dir.	Time	Report complete	
to predict three	2015		of IR		and ready for	
classes of students:					use to analyze	
those likely to					Fall 2015	
persist, those who					students	
might persist, those						
unlikely to persist						
III-6. Use project	Feb 1,		President,	Time and financial	Specific	
assessment to	2016		Provost, VP's,	resources as	improvements	
implement needed			Deans, MIC,	needed based on	are implemented	
student profile,			Dir. of IR, Dir.	results		
KPI/student			of IE			
retention issues, and						
warehouse						
improvements
